Dear Mr. Goff:

This letter is to inform the Commission that in the Notice for proposed rate increase the 2 Inch Meter title was inadvertently left off. However, the gallon and rate figures for the first and over 24,000 gallons were included.

We apologize for any inconvenience this may have caused. If you need any further information, please feel free to contact the office at 859/881-0589.

Thank you for your attention to this matter.

Sincerely,

Diana Clark
